------------------------	--	-------------------------	--

1. I have read up on the needs of the breed and understand what the breed requires and will undertake to do whatever is necessary to provide for a happy and healthy husky.
2. As a new owner of a husky, I understand that I will be responsible for making sure that my husky gets the mental & physical stimulation it needs and gets medical attention when required within at least 6 hours.
3. I understand that my husky must be provided with adequate food & water and shelter always.
4. I understand that huskies are very social dogs and love to be part of a pack – that ideally, I need to let my husky be a part of my family with indoor access, lots of playtime and on-leash walks.
5. *If you are at work for long hours every day a single husky will be lonely and might exhibit destructive behaviour.*
6. I also understand the financial commitment involved in adopting a husky which includes:
  - i) Annual vaccinations are around R350 depending on your vet
  - ii) De-worming every 3 months at around R100,
  - iii) Good quality food @ R400 per month,
  - iv) Tick & flea prevention R120 per month,
  - v) A kennel, doggie beds / blankets, treats etc.
7. I understand that a commitment in adopting one of these dogs could be for the next 5 to 15 years depending on the age of the husky I adopt.

I am aware that the adoption fee is R1200 (or R800 each if you are adopting two). Puppies are R1000. I understand that full payment is due when the dog arrives at my house.	Sign (fax) Or say yes (email)
